ALPHA YOUTH 2026

Congratulations to nine of our parish youth who participated in Alpha Youth 2026.

Held at Our Lady of Grace's Pettit Centre across ten weekly sessions from June to August 2026, the programme provided our young people with a welcoming and engaging environment. They explored faith, asked questions, built friendships, and grew in their relationship with God through videos, discussions, prayer, and community activities.

A highlight of the programme was the Alpha Youth Weekend retreat, which provided participants with an opportunity to step away from their regular routines and engage deeply in discussions about faith, God's purpose, and how to live a good Christian life.

The retreat included group discussions, personal prayer, pray-over ministry, team-building activities, games, fellowship, and creative activities such as t-shirt painting. It fostered strong friendships and encouraged deep spiritual reflection and personal engagement with faith.
